

POSITIVE ATTITUDE :: POSITIVE RESULTS

CHRIS KAMALI : REAL ESTATE CONSULTANT : 6111 JOHNSON CT. #110 PLEASANTON CA 94588

Dear Chris,

We can not thank you enough for all of your help in the buying and selling of our homes. Before we had met you, we had a stigma about realtors and equated most of them to used car salesmen. However, when we met you, we were surprised at how easy it was to discuss such personal matters, like finances, debt and home ownership.

It was your upfront honesty and matter-of-fact approach that encouraged us to pursue our dream of home ownership. We really trusted you and appreciated your patience as we constantly second-guessed ourselves.

In our quest for a home, you put together web searches, maps, and informational packets about neighborhoods and towns that simplified the whole process. We really looked forward to our little day trips on the weekends looking at homes in Pleasanton.

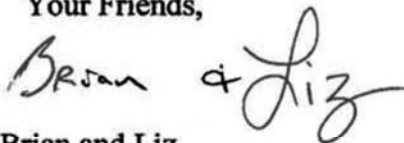

When we found our home, we still giggle because all of us knew it was "the place", like a new bride finding her wedding dress. And just when the process was about to get confusing with finding a mortgage broker and equity lines, et al.... you had everything at your finger tips. We were amazed a few times when Brian double-checked the information you gave us, against what we could find online or with a few of our own resources. Your contacts or suggestions always had better rates and lower fees. All in all you really helped us, every step of the way.

That was why, when it came time to sell our condo, it was obvious that you were the person we needed. And sure enough, in a buyers market, our condo sold in just 6 days. We really appreciated the same level of honesty and support in the selling process, that you showed us when we bought our home.

We honestly consider you a friend and will highly recommend you to anyone in need of a realtor.

Again, Thank you for all your assistance and encouragement.

Your Friends,

Brian and Liz
