CHRIS KAMALI : REAL ESTATE CONSULTANT : 6111 JOHNSON CT. #110 PLEASANTON CA 94588

Dear House Hunter:

I just sold and purchased a new home, and I'm writing to tell about the phenomenal experience I had. Starting out, I was very fortunate to have found an outstanding agent, Chris Kamali. He was both my buying and listing agent. As we worked together, it became very evident that he was truly working with my best interests at heart and I came to rely on his knowledge and expertise across all aspects of the real estate business.

During the course of my hunting, I was very resistant to making such a big change and I often wavered when I needed to make decisions. I wanted to take the next step, but it was just easier to stay where I was. Through my uncertainty, Chris remained committed and steadfast. His sincere and direct approach helped me move beyond my comfort zone.

Once I found my home and made an offer, Chris quickly brought together a very strong and competent core team that made the process virtually seamless. I was able to sell and buy just weeks apart while knowing that my interests were being protected from all angles. And from a financial standpoint, my net was right in line with the initial projections he presented.

Quite simply, Chris was a rare and exceptional catalyst for me. His service by far exceeded what I could have imagined and I would highly recommend him without a second's hesitation.

Now, as I look back at how nervous I was to take this step in my life, I can say it is one of the most fulfilling decisions I have made. I followed my heart – and I'm so thankful I did.

I would be more than happy to provide additional details of my experience or answer any questions you may have. Please feel free to call or email me anytime.

Best Wishes,
